

The Perversion and Restoration of:

The One True Faith!

This will come as a shock to most Christians; but the truth is, they are not practicing **the 'faith once delivered'**! But then again; neither are the Jews and definitely not Islam, although all three of these 'religions' have one thing in common. They all trace their lineage back to the patriarch Abraham.

Most Christians fail to understand and/or acknowledge the importance of this ancestral heritage and only a relative few have taken the time and effort to make a study of it!

In **Daniel 12:4** we read that in 'The Latter Days' knowledge would increase and people would rush 'to and fro'. And in **Proverbs 25:2** we read that it is "The honor of kings" to search out the hidden things of **The Almighty One!** Make no mistake my friends and brethren; we are called to be kings and priests, read **Revelation 5:10!**

Much of what people believe today does not come from personal study; but rather, from what others teach; which is why it is so important for us to study Scriptures using such sources as concordances; archeological books; and Hebrew "Biblical" dictionaries. Even then we must be very careful not to take the opinions of men if they disagree with Scriptural truth. Comparatively speaking; there are few who will actually 'search out a matter'.

As an example: let us look at a quote by Jehosaphat in **II Chronicles 20:7** which is repeated in **James 2:23**. In these two places we find Abraham referred to as "...a friends of Elohim", yet nowhere in the story of Abraham; found in Genesis or anywhere else in the Pentateuch, do we find that comment. So how can these two individual authors 'assume' that Abraham was indeed a 'friend of Elohim'? Because Abraham was called that in other

books which have been deleted from The Scriptures most of us have today! To find the origin of that phrase we must turn to another book of Hebrew history known as “**The Book of Jubilees**”. In **Jubilees 19:9** we read: “... [It] is recorded in the scrolls of the heavens that he {Abraham} is “a friend of Elohim”.

In these ‘latter days’ we have been given access to so many sources that confirm The Scriptures, and with the discovery of ‘The Dead Sea Scrolls’; along with other archeological discoveries, we have a more defined understanding of what the original **One True Faith** looked like

Another example of restored knowledge concerning Abraham comes to us from “**The Book of Jasher**”. Most Christians know the account of Shadrach; Meshach; and Abed-Nego being thrown into a super-heated furnace, but few know that Abraham too was into such a furnace! **The Book of Enoch** tells us the back story of “the sons of Elohim” found in **Genesis 6:2+4**. How they had offspring known as the Nephilim, and these became the gods and demi-gods of the Greek; Roman; and other Euro-Asian nations.

By reading these and other expository books, we not only become more informed on historical events; but more importantly, we can become better acquainted with “**The One True Faith**”. It was given to our ‘first parents’ but Satan distorted it in “The Garden”. It was restored to Seth and through Seth to his grandchildren up to the generation of Noah/Noach. After “The Flood” it became perverted and corrupted again and had to be restored to young Abram. The **Book of Jasher** records that as a child; Abram went to live with and study under the tutelage of Shem, the son of Noach, and the great (x6) grandfather of Abram. Shem was 100 yrs. Old at the flood and lived 500 yrs. after the flood. He knew the evil that existed prior to the flood and was able to see the same corruption occurring among mankind again. As the son of Noach; who was considered righteous enough to be

spared through the flood by YHWH, Shem would have been taught the ways of righteousness, **The One True Faith**. Abram was instructed in the ways of YHWH by Shem. Again; this is all written of in "**The Book of Jasher**" referenced in **Joshua 10:3** and **II Samuel 1:18**.

Understanding that Abram/Abraham is one of the keys to "The One True Faith", all that we need to do is follow the Covenants/Promises YHWH made with Abraham and his descendants!

While many Muslims can rightly trace their roots to Abraham, they were not the recipients of the Covenants or the blessings YHWH gave to His 'friend' Abraham; his son Isaac; or his grandson Jacob/Israel! **Genesis 28:1-4**.

These Covenant/promises were passed on to the 12 tribes of Isra-El and to their generations after them, **Genesis 28:13-15** and **32:26-29**. Also read all of chapters **48** and **49**! After Israel/Jacob and his sons had died in Egypt, the people became slaves to the Egyptians. Forced to labor seven days a week, they again lost track of "The One True Faith". Therefore YHWH raised Moshe/Moses whop was a likeness of the future Messiah) to deliver the multitude of Isra-El out of bondage, out of Egypt and into the land that YHWH had Covenanted to Abraham; Isaac: and Israel/Jacob. On the way they were to stop at Mt. Sinai where they were to have "The One True Faith" restored to them.

There are three primary elements to "The One True Faith", they are: **faith; obedience;** and **love**. (This love embraces mercy and compassion).
